Shumaker Industries Endorses the World's Safest
Concrete Remover

“EL-ReadyMix Truck Wash & Wax”

Shumaker Industries, specialists in fabricating all new replacement drums and mixer parts, is now an authorized distributor of “EL-ReadyMix Truck Wash & Wax”.

- 3-in-1 product. Concrete Remover - Cleaner/Degreaser – Waxing Agent.
- Cleans the entire truck safely & effectively.
- Penetrates deeper to dissolve all traces of concrete.
- Non hazardous – An effective alternative to using harsh acids, chemicals & extreme corrosives.
- Not regulated by D.O.T.
- Safe on all surfaces. No damage to aluminum, chrome, glass, painted, coated or bare metal surfaces.
- Continued use results in a “just waxed” finish that repels dirt and future concrete adhesion.
- Environmentally safe. OSHA, EPA and USDA approved.
- Rapidly rids truck and equipment of rust.

Warranty: EMS, Environmental Manufacturing Solutions, LLC. warrants this product to be free from defects and true to its content. When used per label directions, EMS guarantees that the use of EL-Ready Mix Truck Wash & Wax will not void your truck and/or mixer warranty specifically for, but not limited to rust and corrosion. Technical data and product analysis certificates are available to all buyers and/or users.
